Thanks to highly detailed physics, realistic atmosphere, extensive ocean modeling, and countless hours of testing, Sailaway creates an experience with which you will never want to leave your boat. To create a faithful sensation of the ocean, Sailaway relies on an innovative modeling system that integrates satellite data, weather forecasts, and high-resolution maps of the ocean surface to create a highly detailed and realistic simulation of your boat’s environment. Each day you spend on the ocean with Sailaway is like spending a full day out there – no computer games, no stress, just peace and quiet. Your boat, your friends, your guests, and yourself all await you in the virtual world. The professional version of Sailaway will allow you to recreate on the ocean any scenic route you want, for as long as you want. You can even explore the world’s deepest fjords, the most picturesque bays, or even a calm sea, as you cruise along in your boat on a route selected for you. The professional version of Sailaway includes all the features available in the free version: unlimited regions and routes, professional boat upgrades, hundreds of boats to choose from, and the most realistic reflections in the entire industry. We are a professional manufacturer with over 15 years experience. We guarantee our products 100%. If you are not satisfied with our product, we will give you a replacement or a full refund.
